After a successful login, you will be taken to the jobseeker profile setup.

4. Create Your Profile

Complete your profile by providing the details requested on each screen.

- **Basic details** – Enter your personal and location details.

The screenshot shows a mobile application interface for profile setup. At the top, there's a progress bar with five steps: 'About you', 'Job field', 'Skills', 'Salary', and 'Background'. The first step, 'About you', is active. Below the progress bar, the title 'Basic details' is followed by the instruction 'Tell us a bit about yourself'. The form includes a 'Full name' field with the text 'shivashankar', an 'Age' field with the value '18', and a 'Gender' section with four radio button options: 'Male' (selected), 'Female', 'Other', and 'Prefer not to say'. Below these is an 'Address' field showing 'Bengaluru, Bangalore North, Bengaluru Urban, Karnataka, India' with a location pin icon. A map preview is visible below the address. At the bottom of the form is a blue 'Next' button.

Figure 4: Basic details

- **Job type** – Select the kind of job you are looking for.

The screenshot shows the 'Job type' selection screen in the same mobile application. The progress bar at the top now highlights the second step, 'Job field'. The title 'What kind of jobs are you looking for?' is followed by the instruction 'Choose your preferred career field to see matching categories.' There are two selectable options: 'Professional jobs' (with a brief description: 'Office and business-focused careers requiring specialized knowledge...') and 'Skilled & Field jobs' (with a brief description: 'Hands-on, operational, technical, and field-based work...'). The 'Professional jobs' option is selected, indicated by a blue checkmark. A blue 'Next' button is at the bottom of the form.

Figure 5: Job type selection

- **Job categories** – Select your preferred job sector and categories.

The screenshot shows a web browser window with the URL `yuvaudyogasethu.karnataka.gov.in/en/onboarding/categories`. The page is titled "Preferred job categories" and is part of a 5-step onboarding process (Step 3 of 5). The instructions state: "Select the areas you want to work in. You can refine roles later in your profile." There is a search bar with "software" entered. Below it, two tags are visible: "Software & IT" and "Software Developer-IT Services". Under "Matching job categories", the "Software & IT" category is selected, showing a list of roles: "Software engineer", "Junior Software Developer", "Software Vulnerability/Penetration Tester", "IoT - Software Analyst", and "Software Developer-IT Services". The "Software Developer-IT Services" role is selected. At the bottom, a button says "Continue (1 selected)".

Figure 6: Preferred job categories

- **Skills** – Select the skills you have.

The screenshot shows a web browser window with the URL `yuvaudyogasethu.karnataka.gov.in/en/onboarding/skills`. The page is titled "What can you do?" and is part of a 5-step onboarding process (Step 4 of 5). The instructions state: "Pick the skills you have from the roles you chose. This is what employers search by." There is a search bar with "Search e.g. welding, excel, writing". Below it, a grid of skill tags is displayed, including "Agile and Scrum Practices", "Basic Digital Literacy", "Business Analysis and Requirement Gathering", "Customer Orientation", "Back-End Development and APIs", "Basic First Aid and Emergency Response", "Budgeting and Cost Control", "Business Intelligence and Dashboarding", "Cloud Computing (AWS / Azure / GCP)", "Cloud Support and Administration", "Containerisation and Kubernetes", and "CRM and Ticketing Tool Operation". At the bottom, a button says "Continue (4 selected)".

Figure 7: Skills selection

- **Background** – Add your educational and background details.

The screenshot shows a web browser window with the URL `yuvaudyogasethu.karnataka.gov.in/en/onboarding/background`. The page is titled "Your background" and is part of a 5-step onboarding process. The form includes the following sections:

- Step 5 of 5:** A progress bar showing the current step.
- Your background:** A heading followed by the text "These three answers decide which employers can find you."
- Highest education:** A dropdown menu with "Graduate" selected.
- Languages you speak:** A section with a note "Many jobs list a minimum education. This makes sure you are matched to the right ones." and a grid of language buttons: English, Hindi, Kannada, Marathi, Malayalam, Tamil, Telugu, Urdu, and others.
- Work experience:** A section with a note "Select every language you can speak at work. Employers filter by this." and a grid of experience buttons: No experience yet, Under 1 year, 1 - 2 years, 3 - 5 years, 6 - 10 years, and More than 10 years.
- Continue:** A large blue button at the bottom.

Figure 8: Background details

On completion, a **Profile successfully created** confirmation is displayed.

The screenshot shows a web browser window with the URL `yuvaudyogasethu.karnataka.gov.in/en/onboarding/success`. The page displays a confirmation message with the following elements:

- Profile successfully created:** A heading followed by the text "You can start exploring and applying for jobs now."
- Mobile number verified:** A section with a checkmark icon and the text "We already confirmed your phone with OTP. You can apply for jobs right away."
- Verify your identity anytime:** A section with a checkmark icon and the text "Add Aadhaar verification from your profile whenever you are ready. Verified profiles stand out to employers."
- View Matching Jobs:** A large blue button at the bottom.

Figure 9: Profile creation confirmation

5. Explore Your Dashboard

After your profile is created, you will be redirected to the Profile section. From here you can review your profile details, search for available jobs, and apply for suitable openings.

The navigation menu on the left-hand side provides the following sections:

- **Home** – Access the home page.
- **My Jobs** – View your job-related activity.
- **Alerts** – View job alerts and notifications.
- **Profile** – View and manage your profile details.
- **Help & Support** – Get assistance with any queries or issues.
